

November Newsletter Saint Denis Religious Education

Dear Religious Education Families,

We begin this month celebrating the Feast of All Saints on November 1st. Our 3rd grade class will be assisting at the first Children's mass of the year. Special thanks go to Sister De Chantal and our 3rd grade volunteer catechists, Stacy Molano and Katie Reeves, who coordinated the children's role in this mass. And of course, to the 3rd grade students! All students were invited to dress as their favorite saint.

On Sunday, **November 22**, in addition to our regular class schedule, St. Denis will host an Advent Wreath Family Workshop at 10:30 am. Get your coffee, get your doughnuts and then join us in the Parish Center! We ordered enough materials for every family to participate! The brass wreath, advent candles, ribbon, and floral wire will all be supplied. We ask that you **bring your own greens** to decorate the wreath- fresh greens, or artificial, whichever you prefer. Bring enough for someone who may forget theirs!

If you are in grades 5, 6 or First Year Confirmation, be sure to sign the class attendance sheet on Nov. 22nd before you make your wreath.

There is no class on November 29, Thanksgiving Weekend.

Safe Environment Training begins on Nov. 8 for grades Pre-K & Kindergarten and on Nov. 15 for Grade 3. If you missed both parent information sessions on this topic, and have questions, email Rosemary Lyon at rlyon.stdenis@gmail.com or call 854-1081.

The personal safety topics of the week will be emailed to parents of children in these grade levels prior to being introduced in the classroom.

Have a healthy and holy November!
